PORTABLE FIRE EXTINGUISHERS FOR SALES PERSONNEL

Course information, and terms & conditions

A one day course (based on the Fire extinguisher one day refresher course) aimed at personnel with no servicing requirements such as office based sales staff or in-the-field sales staff who have to answer queries and/or win new contracts and therefore need a working knowledge of fire, fire extinguishers and the relevant legislation. All attendees will receive a certificate of attendance which will count towards CPD.

Course comprises the essential elements and/or knowledge of:

- 1) The theory and classes of fire
- 2) British Standards
- 3) Identification of extinguisher parts
- 4) The different extinguisher services and schedules
- 5) The ADR regulations
- 6) Waste transfer requirements
- 7) Challenges posed by internet sales
- 8) New products in the market place
- 9) Relevant UK statutory regulations including fire legislation

This course carries CPD accreditation. Please indicate on booking if you require a CPD certificate as well as the course certificate.

It becomes necessary to cancel courses if minimum attendance is not achieved and in these cases cancellation is advised 14 days prior to the course start date.

N.B. IFEDA has made every effort to ensure the accuracy of the information contained in this manual and believe it is correct at the time of issue.
