## Burns and Scald Data

In 2016 6637 children were admitted to a specialist Burn Pediatric Unit. This figure only relates to the more serious burns and scalds - it does not include the thousands a month seen by A&E departments. Take a look at the the data [here](#)

## A burn survivor...

### India's story

When I was three years old, my party dress caught on fire, causing me to be rushed to hospital with 40% third degree burns where I'd stay in ICU for three months... From then on it was check ups every six months, physiotherapeutic massages three times a day, and more surgery every two years or so. Then on top of that there were the stares. [Read more.](#)

## National Burn Awareness Day 2017

The date for this year's National Burn Awareness Day has been announced, please put the 18th October 2017 in your diaries and help us make this year's event bigger than ever. [Read more](#)

## Vital First Aid

Good first aid following a burn or scald can make an enormous difference in recovery times and the severity of scarring. Two important things to remember are STOP, DROP, ROLL and COOL, CALL, COVER. [Read more](#).

## Corporate Pack

We receive no government funding and are only able to continue the work we do as a result of fundraising efforts. Please [click here](#) for our Corporate Fundraising pack for ideas on how you can make a difference.

## Our Newsletters

We provide 3 Prevention newsletters quarterly: Early Years, Key Stage 1 & 2 and 3 & 4. A newsletter is also sent to our Fundraisers and Burn Survivors and their families. If you would like to receive any of these newsletters please [contact us](#).
