FIRE AWARENESS TRAINERS COURSE 'TRAIN THE TRAINER'

Course information, and terms & conditions

This course is designed to provide persons responsible for, or who undertake fire awareness training with the knowledge, skills and confidence to undertake the task professionally.

The course is followed by an examination; independently invigilated and marked to test the student's understanding and knowledge retention.

Successful candidates will be competent to:

- Design, plan and carry out basic fire awareness training
- Instruct their students in the Theory of Fire, its requirements, breakdown and prevention
- To instruct in the identification of portable fire extinguishers and demonstrate their use
- To advise on the requirements basic fire legislation
- To inform and advise on emergency escape routes, exits, assembly and personnel control procedures to be established to ensure orderly and safe evacuation in the event of fire
- To establish and maintain records necessary to comply with fire safety legislation
- To instruct individuals in respect of their responsibility and duty to keep themselves safe in respect of fire

The course and examination takes place over a period of three consecutive days.

This course carries CPD accreditation. Please indicate on booking if you require a CPD certificate as well as the course certificate.

It becomes necessary to cancel courses if minimum attendance is not achieved and in these cases cancellation is advised 14 days prior to the course start date.
