Memo: Business & General Info

From the National Office

Subject	Issue No.	Date
Fire Alarm Courses	37	August 09

As you know IFEDA has access to the FIA and BFC Fire Alarm courses at a discounted rate for IFEDA members. However, please be aware that as soon as the IFEDA National Office makes the booking on a member's behalf IFEDA is immediately charged the full cost of the course placement. In some cases IFEDA members have not been making their payment to IFEDA for some two to three months. IFEDA is a 'not for profit' organisation and cannot carry the cost of a number of outstanding invoices without incurring bank charges.

To remedy this situation all course bookings must be paid for within ten working days of receipt of invoice or we will have no option other than to cancel the booking.
